

Melody. Cooking outdoors, in style.

With its wide smooth Crystal tops that facilitate cleaning, the elegant lines and rich outfitting which include sink, gas cooker and the new gas grill with lid, Melody is a new concept of the outdoor kitchen, easy and versatile.

Typical compositions: Melody 5

Optional cooking feature, with built-in cooker, thus preventing unpleasant smells from lingering in the house; plus the convenient hot plate accessory in cast iron which is standard supplied

The BBQ works with wood and charcoal, is fitted with a biologic cooking rack for fat-free cooking

"Easy fire" ventilated brazier to make embers in half the time

Optional sink feature to be able to prepare food directly in the garden

Tops made with smooth **Crystal** finishes, to ensure easy surface cleaning
